Partnership of Hennepin County

## Community Action Month Impact Wednesday

### HOUSING STABILITY & ENERGY SERVICES

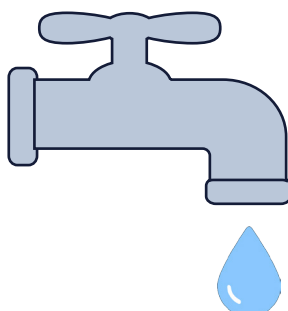

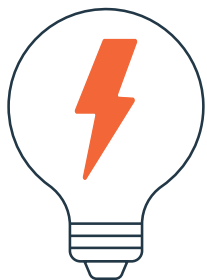

Community Action Partnership of Hennepin County (CAP-HC) connects people with lower incomes to a broad range of resources that help them build stability and lift themselves out of poverty. Two vitally important areas of this support are Housing Stability and Energy & Water Services.

### HOUSING ASSISTANCE PROGRAMS

In 2021, CAP-HC

- Helped more than 300 families and individuals stay in their homes through our Housing Assistance Programs.
- Helped 10 households move from experiencing homelessness to safe, affordable housing.
- Provided 350 hours of case management for families and individuals to ensure their needs beyond housing stability could be met.
- Supported another 215 households through rental and housing workshops and free counseling sessions.

### ENERGY & WATER SERVICES

In 2021, CAP-HC

- Ensured 14,000 households were able to maintain continuous heat and electricity in their homes.
- Ensured over 750 households were able to maintain water service in their homes.
- Provided emergency repair or replacement of broken heating systems for over 100 households.
