## **Vehicle Repair Program**

### **Vehicle Repair Guidelines & Requirements**

Please **initial each box** to show you understand the guidelines and requirements of the program.

	The Vehicle Repair Program funds can only be used to repair a vehicle owned by the applicant.
	The vehicle must meet all state and federal requirements to be driven on public streets and once repaired, deemed safe to drive.
	Repairs that represent a current or future safety hazard are the priority and must be repaired first.
	Body damage can only be repaired if it directly affects the ability to drive the vehicle or the safety of the vehicle.
	Routine vehicle maintenance such as an oil change, new tires, etc. are allowed. Repairs may not include upgrades, improvements, or luxury items.
	This is a one-time grant for a minimum of \$100. The maximum grant amount will be determined based on your application materials and grant eligibility requirements. Vehicle Repair grants do not require repayment. Any balance due beyond the awarded grant amount is not the responsibility of CAP-HC.
	You are not required to use these vendors and may use a vendor of your choice.
	For the Repair Vendor chosen, auto repairs must be their main business. They must have adequate facilities, equipment to make the repairs and provide a W9 and valid proof of General Liability Insurance.
	It is your responsibility to get an estimate for the repairs within 14 days of your conditional approval. Once the estimate is complete you are responsible for submitting the estimate and sending the completed Repair Form to CAP-HC.
	The Repair Vendor who completed the estimate must perform the approved repairs and may not begin until they have received a Letter of Guarantee from CAP-HC.
	Repairs may only include those approved and documented in a Letter of Guarantee and must be completed within 45 days from the date of the letter. Any changes must be approved in advance. Unauthorized changes will not be paid by CAP-HC.
	If at any time the Repair Vendor determines the funds available will not allow the vehicle to be repaired to a level they deem safe to drive, the vehicle will no longer be eligible for Vehicle Repair Program funds.
	If you plan to pay for any additional repairs, you must pay the Repair Vendor first. CAP-HC will only release payment to the Repair Vendor once your portion has been paid.
	By participating in the Vehicle Repair Program, you agree to complete a phone survey with staff 90 days and 6 months after the vehicle repair is completed.

## **Vehicle Repair Program**

### **Waiver and Release of Liability**

CAP-HC's Vehicle Repair Program offers limited grant funds to approved applicants in need of repairs or maintenance.

Repair Vendors participating in the Vehicle Repair Program do so based on their willingness to provide discounted services. CAP-HC in no way endorses or recommends any Repair Vendor or assumes any responsibility for the service they provide.

It is understood that the approved applicants will work with any Repair Vendor at their own risk, with the knowledge of potential risks, dangers, and financial cost that such a transaction may involve.

Approved applicants, participants, heirs, and executors hereby release CAP-HC, its officers, directors, and staff from any liability, however caused, due to the repair of the vehicle through the Vehicle Repair Program.

I, the Approved Applicant and Participant, agree to assume all risks associated with repair of the vehicle and the selection of the Repair Vendor.
